

ARMY MEDICINE
Serving To Heal...Honored To Serve

BACH Walk-In Services

Did you know that Blanchfield Army Community Hospital patients can receive many health care services on a walk-in basis or by telephone consultation?

- To find out if you can save time with a telephone consult or walk-in care, contact BACH's Call Center at **931-431-4677 (HOSP) or 270-798-4677**. The Call Center can assist patients in deciding whether they can be served on a walk-in basis, by telephone consultation or if an appointment is necessary. Walk-in services are available Monday through Friday from **8 a.m. to 3:30 p.m.** Our medical teams are busy with administrative duties and lunch from 11:30 a.m. to 12:30 p.m.; therefore patients are welcome to check in during this time but may have to wait longer for walk-in services.

The following services are available as a walk-in service in your assigned clinic for suspected:

- Strep Throat (patients 2 years old and older)
- Diaper Rash (patients less than 2 months old)
- Pink Eye (1 to 25 years old)
- Ringworm (other than on the scalp)
- Pinworm (patients 2 years old and older)
- Thrush (patients one to 12 months old)
- Yeast Infection (16 years old and older)
- Painful Urination and Urinary Tract Infection (16 years old and older)
- Prescription renewals
- Immunizations (patients 2 years old and older)
- Blood Pressure Checks (previously ordered by provider)
- Contraceptive management, including Depo-Provera shots when due, with a prescription (other than initial shot)
- Draw Blood, previously ordered by provider (patients 1 year old and older in the Lab, under 1 year old in assigned clinic)
- Medical Port Flush
- Pregnancy Tests
- On-going medication injections (e.g. B-12, testosterone, etc.) when due, with a prescription
- Wound Checks, Stitches Removal, Dressing Changes following an operation or procedure (within the specialty clinic indicated by provider)
- Drop-off/Pick-up paperwork for:
 - Attention Deficit Hyperactivity Disorder (school/parent form)
 - Supplemental Nutrition Assistance Program (SNAP)
 - Sports physicals

***Turnaround for all administrative paperwork
Is three business days.***
